

Dear Director of ARAMFO Foundation Dr. Abeer Ibrahim,

It is with great enthusiasm that we take this opportunity to thank you so much for the great efforts you have made to prepare study abroad for our group of professors and students in Hungary, Austria, and Czech Republic.

Your organization did tremendous efforts in bringing together all guides, tours, travel logistic, the hotels, and restaurants for our undergraduate, master and doctoral students from Governors State University (USA) during Study abroad in Hungary, Austria, and Czech Republic. We had the best tours in Castle district, City park, House of Terrors, during cruise on the river Danube, in Visegrad, Szentendre, Vienna, Brno, Prague. Our guides were very knowledgeable about history, economic, financial, and social situation of Hungary, Vienna, and Czech Republic. All our students had great experience during our study abroad that has led to the promotion of multicultural understanding and the intensification of global awareness from both American and Eastern European perspectives. We could not have asked for anything greater regarding the study abroad.

This study abroad has enriched the academic and empirical experiences of our participants in their field of study "Business and Culture in Eastern Europe". The ARAMFO Foundation contributions have helped open the door widely to our American scholars to consider studying abroad for better understanding in the American scholarly society and to promote the better understanding of various concepts in Eastern Europe Culture. We thank you so much for your hard work during this international program and we look forward to more collaboration with you in the near future.

Dr. Abeer Ibrahim has amazing risk-management skills. Thanks to Director of ARAMFO Foundation Dr. Abeer Ibrahim who worked hard on this difficult situation when our flight from Prague to London was cancelled at 4 am and Director of ARAMFO Foundation Dr. Abeer

Ibrahim solved this problem by calling to airline companies, bus driver, hotel, to leaders of group. All our travelers made back safely to Chicago.
